JOSIAH TURNER, Jr., EDITOR.

OYSTERS—GRATIS—FOR ONE HOUR ONLY!

In the first week of November, in each year, there exists a curious custom at the pretty watering-place of Arcachon, near Bordeaux. The scene of it is the sea, or rather the oyster bed in the sea; the performers are any persons who possess boats, and know how to manage them. On that morning, the whole coast swarms with boats of all kinds.

Men, women, and children set in them closely packed together, for the great object is to get as many arms and legs into the boats as possible. To the small island which lies in the centre of the oyster park, all eyes are directed. It is completely embedded in oysters, which any of the occupants of the boats are allowed to take gratis, as soon as the signal, a cannon shot, is heard. This liberty lasts only one hour, so time is precious. Not a minute, not a second of this hour is wasted. Every muscle is strained to the uttermost.

The report of the cannon rolls with a dull sound over the waves, and many distant sailor who has never heard of the one day and the one hour of the free oyster-fishery at Arcachon, fancies it must be the signal of a ship in distress. How lustily the oars are plied now! Quick as arrows the boats shoot onward to the island. The sailing boats indeed come to the scene of action rather later than the swift, light, nutshell rowing-boats, but they contain more booty and carry more arms and legs to work in the oyster-bed. During the performance, the noise and shouting are deafening.

The oyster bed is scraped with all sorts of instruments—rakes, shovels, sieves, and so on. This, of course, increases the agitation of the water, so that the sea is quite rough all over the bed.

But now the gunner has already got the watch in his hand to give what will really be a signal of distress. Who, indeed, can say what is hastily gathered into the boats in the last few minutes before the closing shot is heard?—star-fish, crabs, and all sorts of things besides oysters are hauled in, in the eager haste of the fisher-folk.

Then the cannon orders an instant halt. Woe to him who stoops out once more toward the bed in order to increase his store by a last hasty grasp. He is sure to be seen, for the telescope is pointed at him, and he will be obliged as soon as he lands to throw the whole of his precious freight, to the very last oyster, back into the sea.—The spectators of this strange scene, of which there are a large number, either line the shore or are rowed over to the island, where they have a picnic on oysters and biscuits.—*Hearth and Home.*

HAVANA, Jan 13, 1870.—The *Gaceta* to-day publishes dispatches from the interior announcing the surrender of insurgents in large numbers.

The Spanish troops in the Central Department are on the march to attack the insurgents.

The Spanish mail steamer which sailed to-day took a memorial signed by thousands of Spaniards requesting the Cortes to defer the granting of liberties and reforms in Porto Rico. The document gives as a reason for this request that the granting of these privileges will prove highly injurious to the cause of Spain in Cuba, be used as a weapon against the Spaniards and weaken the power of the government. The residents of Cuba at present do not desire such reforms. The country is unprepared to receive them, and the people prefer to wait until Cuba is represented in the Cortes.

A car loaded with petroleum was burned at the railroad station this evening. The fire, it is thought, was caused by an incendiary.

The schooner Lookout, from Norfolk for Barbados, with a cargo of lumber, was lost on the 7th inst. Her crew were brought to this port to-day by the Alice.

SAN FRANCISCO, Jan. 15, 1870.—In the Legislature to-day the Senate passed a bill repealing the clause in the Sunday law prohibiting the theatrical amusements on the Sabbath. The Assembly adopted a resolution congratulating the people of Tennessee on having rejected the fifteenth amendment to the national constitution.

The product of seventeen of the principal silver mines in Comstock ledge, in Nevada, during the past year was $7,265,000.

The Counsul of San Salvador, at this port, declines issuing ship's papers to the Clotilde, formerly the ship Chieftain, on the ground that the vessel is intended for the coolly trade.

The Female Operators, says the New York *Herald*, who are disposed to take their chances with the other telegraph strikers, are well able to assert their own dignity, as appears by their card. They expect some especial persecution because the company—as it formerly gave them employment against the opposition of male operators—thought they would be less likely to turn out. They argue, however, that if they ever had any special favor from the company they have paid for it by working a number of years for half the compensation given to men. They promise, therefore, that if the company singles them out for victims they will make some interesting disclosures. We have thought they might.

SOMETHING GOOD FROM TENNESSEE.—It is proposed from Tennessee that the clause of the constitution that provides for the amendment of that instrument shall itself be amended. The point it is desired to secure is that amendments submitted to the States shall only be acted upon by Legislatures chosen after the amendment is submitted. It is certain that no amendment to the constitution is not made in the spirit intended when that amendment did not enter into the canvass in which the Legislature was chosen. Amendments so accepted never really received the proper assent of the people. The proposition is therefore a good one.

THE INDIAN PEACE COMMISSION.—The Committee on Indian Affairs of the House and Senate, the Secretary of the Interior and Commissioner Parker, held a meeting in Washington yesterday and heard the reports of the Peace Commissioners who have recently been travelling through the Indian country.

SAW MILLS.

I AM PREPARED TO PUT UP DOUBLE CIRcle Saw Mills in workman-like manner for those desiring them.

There are now 440 of these Mills in operation, and in no case have they failed to give entire satisfaction. One advantage of this Mill is, that the sawyer, without changing his position gives the backward and forward motion to the carriage, with a single lever; and cut the log at both ends at the same time, *this is a saving of one hand in the mill.* This is no humbug. I am responsible for what I say. My residence is 20 miles South of Raleigh, on Neal's Creek. For further particulars address me at Raleigh, N. C.

P. J WRAY.

I will be at Lynn Adams' Store on the 2nd & the 5th of February, where persons desiring to see me will please call.

READ THE FOLLOWING.

Mr. P. J. Wray, Dear Sir:—I am much pleased with my double Circular Saw Mill built by you. I can cut a line 14 inches deep, 20 feet long, in 45 seconds, with my 14 feet overshot wheel. We have to-day cut 5,000 feet weather boarding, flooring, and item board, in eight hours.
Dec 23rd 1869. AL. RIDGE PARTIN.

Mr. P. J. Wray:—We are well pleased with our new double action Mill, that you set to work for us. We can cut twice the amount of lumber that we could with the old Mill of 48 inch saw and same water wheel.

JAMES PENNY.

This is mentioned Mill may be seen on Walnut Creek, 6 miles South of Raleigh.

JOSIAH TURNER, Jr., EDITOR.

THURSDAY, JANUARY 20, 1870.

IT MUST BE SO.

God and Nature have ordained that ignorance and vice shall be ruled and governed by intelligence and virtue. Whenever it is otherwise; when the ignorant and "the wicked rule, the people mourn;" it will, always necessarily be so.

It is a great mistake to suppose, as some do, that punishment for sin will invariably be deferred to the day of the great settlement of accounts hereafter. Our venerable old School master, *Dr.* Wilson, used to say "My man, be sure your sins will find you out."

We tell the Governor and his State Printer, and their allies, that their sins are fast finding them out, and what is equally to the point, the people are fast finding out their sins. If the scorn, contempt and contumely of a virtuous and betrayed people, be regarded as a punishment, theirs will not be deferred to the great hereafter.

Dead and insensible as they appear to be to all sense of shame, the people will make them see the finger of scorn pointed at them, and hear the mutterings of contempt and indignation.

Seventy thousand ignorant and improvident negroes, whose misfortune it is to be unable to read or write, with no land and no mule, and no house to live in, led by three hundred straggling carpet-baggers, three fifths but ignoble sharers of the ordinance of secession, (Holden, Dick and Thomas) and a few other base natives in want of office, have had, and now have, the rule in North Carolina.

In such hands, it needed no spirit of prophecy to foretell the sad condition to which the State and people would be reduced; the prostration of the honor and credit of the State that would ensue.

By fraud, corruption and deception, the party strutted into office and place; in fraud, corruption and crime, they have administered the Government. They met on one common platform—white and black—cunning and simple—convicted and unconvicted. High and responsible positions were filled by ignorant, incompetent and, in many cases, dishonest incumbents. Thus composed, it could not be otherwise than that the concern should fall to pieces of its own weight, or disintegrate by the fermentation of its own corruption.

On Tuesday last, the four co ordinate branches of the State government—the Executive, Legislative, Judicial and the "Ring," with their seventy thousand ignorant dupes, all fell into the ditch together. It was not exactly a case of the "blind leading the blind," but of the wicked and corrupt leading the ignorant and simple.

We have before stated, but it cannot be too often repeated or too forcibly impressed on the public mind, that a gentleman from the North, an extensive dealer in public stocks and securities, informed us that it was the settled purpose of the "Ring" to repudiate the special tax bonds, as the only method left them of getting out of a disagreeable dilemma. On Tuesday these bonds were virtually repudiated by the Legislature, with a unanimity unparalleled in that body, there being only six Senators and one member of the House—Sleepy Downing—voting against it.

We call it repudiation, and so it will be found, because the money was in the Treasury, or ought to have been, and was being paid out, according to Radical law and regulation, when suddenly the resolution was sprung and hurried through, forbidding the Treasury to pay any more.

We can well see how the Conservatives could vote for it; but for the Radicals to do so, looked like infanticide—murdering their own bantling. The whole thing had been imposed on the people by the corrupt operations, bribery and log-rolling, of the "Ring," who depend upon office and its perquisites for a living, and against the protest and remonstrance of the Conservatives. We have yet to see the man who makes a living by honest labor and pays his tax, who feels there is any moral obligation resting on him to pay in full the bonds so corruptly issued and corruptly used in the interest of carpet-baggers and Wall street gamblers.

The Radical Legislature has suspended the payment of interest on the bonds, only; the people will hardly be so nice; they will suspend the whole concern, and dismiss from office the corrupt carpet-baggers, who, too lazy to work, and having no means of support, have, for a time been sucking the life blood of our State. It must be so.

THE WAY IT WORKS.—The Newbern *Times* says:

"Judge Thomas discharged the jury drawn for attendance on the present term of the Superior Court, because they did not wish to take "county script," it not being negotiable. The Judge ordered a jury from the city who can serve and board at home."

This is the condition of things to which Radicalism has reduced most of the counties of the State. Not only is the State bankrupt, but the counties are in the same condition. Radicalism, carpet-baggism and scalawagism have done their work effectually.

OMISSION.

Pike calls aloud on the Legislature to pass the military bill; he says, Republicans are whipped in Orange, by Ku Klux. Three Republicans have been to his office and showed him their lacerated backs. Pike forgot to tell that one of his Republican brethren told him he was whipped for *stealing*. We learn he told Pike so, and he has told others so.

The people of Orange are the most law abiding people of the State. In the earlier and better days of the Republic, they were taught reverence for the law by Judge Norwood, Judge Murphy, Judge Cameron, Judge Nash, Judge Ruffin, Judge Mangum, and James Mebane, who, in every neighbourhood, spoke to the people, who assembled in the open air to hear counsel and receive instruction from these great, good men. Under such teachers, the people became law loving and law abiding. The late lamented John Berry, Governor Graham, Hugh Waddell, Henry K. Nash, John W. Norwood, Paul C. Cameron, Cad Jones, Wm. M. Patterson, and Samuel F. Phillips, have been the moral teachers and speakers of Orange, who followed the course of instruction laid down by the illustrious Judges we have named.

No people ever had better instructors, better schools, better churches, or more of them, than the people of Orange. They love to obey the law and to see it executed. When Tourgee sets aside verdicts, Holden pardons convicts, and the Leagues steal, murder and burn, and violate female chastity, you may look in any community for the people to take the law into their own hands.

The best evidence of the law abiding disposition of the people of Orange is to be found in the fact that there are now three Republicans in Orange jail, who confess to have cut the throat of poor Blalock, in the very heart of the town of Hillsboro, and in less than fifty yards of the Bench upon which Tourgee sat and defied and set aside the verdicts of two several juries, convicting a Republican of larceny. Any other people would hang these Republican monsters without waiting for the slow process of the law. We hope it will not be done in Orange; we regret that any violations of the law have taken place; that the people have had to take the law in their own hands.

We have a portion of the United States army there, yet they continue to whip Gov. Holden's brethren of the League for stealing and to hang them for arson and for insults to females.

It is a sad state of society when a secret organization abolishes the old Mosaic law of nine and thirty for larceny, and fills up the workhouses and jails of the whole country with convicted members of their society. Now is the condition of things much bettered, when another secret society undertakes to restore, by violence, the old Mosaic law, and administers nine and thirty to the leaguers for larceny. We learn that the Leagues brought out the Ku Klux in Orange in heavy column, last week. Bill Hall, of the League, attempted to murder Dr. Montgomery for his money. The Ku Klux went in search of him; he fled, or there would have been hanging as well as whipping, in Orange last week.

THAT BULLETIN BOARD.

The *Standard* requests us not to use his Bulletin Board when we wish to assail Republicans. We have never done so, nor is there any necessity for it. Go where you will and you can hear of Republicans disgracing themselves, and in a manner so public, that there is no use for bulletin-boards to give the facts any further publicity. Take a few instances:

Snead of Johnston, stealing horses.

The Governor drinking "in a gang by himself" in grogshops. The same inciting the mob in the Mayor's office.

Littlefield and his grogshop in the Capitol.

The same running away from Raleigh, twice, to avoid being brought to account for his fraud and bribery operations.

The Governor appointing him State Printer.

Judge "Jay-bird" Jones, taken to the Raleigh calaboose crying, as he goes, "let her float."

Pilgrim Ashely defying the Supreme Court.

The Supreme Court ordering Auditor Adams to jail.

The Governor cursing the whole Supreme Court, and resisting an order thereof.

Windy Billy Henderson and Tourgee fighting on the cars.

Another Judge pulled by the heels from under a bed in a house of ill-fame.

The Tourgee, Sweet and Heaton correspondence—the subject thereof.

The Speaker of the House breaking his "pickler" on one occasion, losing Judge Settle's churn on another, and fighting with Attorney General Coleman in a grogshop, on another.

Gen. Estes "defaulting" to the amount of fifteen thousand dollars.

His brother lately bound over to Court on a charge of bribery.

And last, but not least, the fighting Parson accused of wantonly insulting ladies on a public railroad car.

But why multiply examples? We have a whole portfolio full of like records—a publication of which would require a bulletin board high and wide enough to hide the face of the falls of Niagara.

Talk about your little bulletin board! No, sir, we don't want to use it. If any body has stuck anything on it that we have written, it was not by our consent or connivance. At the same time, we don't care.

GAS SHORT.—We received notice yesterday that the gas would be short last night, and again to-night, in consequence of the breaking of two retorts, one in each bench, at the gas house, which necessitated the cooling off one bench at a time for repairs, and running the other, only. Hence we were obliged last night and shall be again to-night to close earlier than usual.

The Legislature of North Carolina.

NIGHT SESSION.

HOUSE OF REPRESENTATIVES.

TUESDAY, Jan. 18, 1870.

The House was called to order at half past 7 o'clock.

Mr. Boddie presented a petition from certain citizens of Nash county, asking that Tar River might be a lawful fence, and also introduced a bill to that effect. Both bill and petition were appropriately referred.

By Mr. Ingram: A bill in relation to the statute of limitations. Referred.

On motion of Harris, of Wake, col., the rules were suspended and the bill to amend the resolution authorizing the Secretary of State to furnish members with copies of laws, was taken up and passed its several reading.

UNFINISHED BUSINESS.

Bill (War) to secure the better protection of life and property.

On motion of Mr. Sinclair, the bill was postponed until to-morrow morning at half past 10 o'clock.

On motion of Mr. Sinclair, the rules were suspended and the bill concerning the maintainance of convicts, was taken up.

Mr. Sinclair explained the bill and advocates the passage of the bill.

Mr. Vest opposed it.

Mr. Ingram also opposed it.

Mr. Sinclair moved to amend by inserting the word "conveying."

Mr Foster said, that the people all over the State were anxious for this question to be settled. A great many sheriffs now thinking that the State would bear the expense of the transportation of convicts took occasion to lang their friends along to visit Raleigh under the pleа of being guards when there was not the least necessity for their presence and the State was saddled with the unnecessary expense.

Mr. Vest moved to indefinitely postpone the bill.

After some discussion the motion to indefinitely postpone was withdrawn and the bill together with the amendments and a substitute offered by Mr. Foster, were referred to the Judiciary Committee.

On motion of Harris of Wake, col., the rules were suspended and the resolution instructing the Secretary of State to furnish to the House the number of acres of swamp land belonging to the State and vacant lands of every discription belonging to the State and the counties in which they are located and their estimated value, was taken up and adopted.

On motion the house then adjourned.

SENATE.

WEDNESDAY, 19, 1870.

The Senate was called to order at 10 o'clock.

Mr. Murphy arose to correct an error of the Reporters, which, he thought, might create some misunderstanding in his District. The petition which he presented on yesterday, came from *one party only*, a resident of New Hanover county, asking to be transferred to the county of Sampson, the Reporters stated that the petition came from citizens of New Hanover.

Mr. Lindsay arose to a question of privilege to correct any erroneous impression which may be made, by an article which appeared in this morning's SENTINEL, under the head "Magnificent Swindle—Winding up the affairs of the Ring." He introduced the resolutions alluded to in the article, but with entirely a different object, he had consulted no one in reference to the matter except Dr. Love, who introduced a similar resolution, he had no sympathy or connection, whatever, with the Ring, and if, by chance, the resolution alluded to should play into the hands of the Ring, he certainly had no intimation, in any manner, of such a thing when he introduced it, and should regret, exceedingly, if such should prove to be the case. His only object was to protect the interests of the State against the machinations of bad men. The Editor of the SENTINEL, however, unintentional, had done him a great injustice, as he had neither in nor out of the Senate alluded to the subject matter in the resolutions except, as he had before stated, to Dr. Love, nor had he been approached in reference to the subject by any one.

The President instructed the Clerk to read a communication from Senator O. H. Hayes, stating that he was detained at home on account of the destruction of his property by fire.

FROM THE HOUSE.

The following bills were transmitted from the House and were referred to appropriate Committees, viz.

Bill to charter the Bank of Statesville.

Bill in favor of H. G. Terry former sheriff of Richmond County.

Bill to prevent the felling of trees in Big Hunting Creek, Iredell county.

Bill to authorize the Commissioners of Haywood, to levy a special tax.

Bill to regulate the fishing in the Northeast branch of Cape Fear River.

Bill to incorporate Watauga Lodge No. 293, in the town of Boon.

Bill to incorporate Catawba Lodge No. 248 in the town of Newton.

Bill to incorporate the North Carolina Spoke and Handle Manufacturing Company.

Bill to incorporate the Ann Holden and Murfreesboro Building and Loan Association.

By Mr. Love: To amend chapter 279 of the laws of 68 & 9: Referred.

By Mr. Love: To amend section 563 and 563 of chapter 280 of the laws of 68 & 9: Referred.

By Mr. Welker: To incorporate the Greensboro Building and Loan Association: Referred.

By Mr. Forkner: The following resolution:

Resolved, That Saml. F. Phillips, Thos. Bragg, and Rufus Barringer, appointed by the President of this Senate as a Committee under a Senate resolution providing for a Committee to investigate Railroad corporations since 1865, be required to appear before the bar of the Senate and take and subscribe to the following oath to wit:

I do solemnly swear before the Almighty God and this Senate, that I will discharge my duty as a member of the Committee of which I have been appointed by the President of this Senate, impartially, according to the constitution and laws of the State so help me God.

Mr. Graham moved to lay the resolution on the table, which was lost by a vote of ayes 21, nayes 19.

The resolution was adopted by the following vote:

AYES.—Messrs. Beeman, Brogden, Burns, Blythe, Colgrove, Cook, Epps, col., Forkner, Hyman, col., Jones, of Wake, Legg, Long, Love, Mason, Moore, of Cartered, Moore, of Yancey, Murphy, Richardson, Stephens, Sweet and Winstead—21.

NAYS.—Messrs. Barnes, Bellamy, Cherry, Etheridge, Fiythe, Graham, Harrington, Hawkins, Lassiter, Lindsay, Melchor, McLaughlin, Respass, Robbins, Scott, Smith, Welker, White, Whiteside, and Wilson.—20.

SPECIAL ORDER.

Bill to incorporate the Planters Railroad Company, to run through the White Oak Swamp, from New River, Onslow county, to Newbern or some intermediate point between Newbern and Kinston on the Atlantic Road. [Capital $400,000, may be increased to $1,000,000. The board of Education propose to donate alternate sections of land through which said road is to run when the road is graded and ready to lay the track.]

Mr. Lindsay, proposed to amend so as to require the company in the construction of the Road bed to run a with or canal on either side of the grade a sufficient ditch to convey off the waters on the adjacent lands.

Mr. Love offered a substitute for the amendment, requiring the company to drain the land thoroughly before any deed shall transfer to them the alternate sections.

After some discussion both of the amendments were voted down and the bill passed its third reading by the following vote:

AYES.—Messrs. Barnes, Beall, Bellamy, Brogden, Burns, Blythe, Colgrove, Etheridge, Forkner, Hyman, Hawkins, Jones of Wake, Lassiter, Melchor, Moore, of Carteret, Moore, of Yancy, Murphy, Robbins, Scott, Smith, Stephens, Sweet, Welker, Whiteside, Winstead.—25.

NAYS.—Messrs. Cook, Fiythe, Harrington, Jones, of Columbus, Legg, Lindsay, Long, Love, Mason, McLaughlin, Richardson, White.—12.

On motion the Senate adjourned.

HOUSE OF REPRESENTATIVES.

WEDNESDAY, Jan. 19, 1869.

House called to order at the usual hour.

REPORTS OF COMMITTEES.

Mr. Barnett, from Committee on Corporations reported favorably upon several bills which were placed upon the Calendar.

Mr. Ames for Committee on Internal Improvements reported favorably upon the bill in relation to the Western Turnpike Road, which was placed upon the Calendar.

RESOLUTIONS AND BILLS.

By Mr. Justice: A resolution requesting the Public Treasurer to furnish information whether he had paid any interest upon Penitentiary bonds, if so how much, to whom and by what authority.

Mr. Moore, of Chowan, in speaking upon a question of privilege in regard to his remarks made yesterday, stated that he had requested him (Mr. Moore,) to state that he (the Treasurer,) had not paid a single cent of interest upon Penitentiary bonds nor did he intend to do so.

Mr. Justice said the statements of the gentleman from Chowan, had given him all the information he wished, therefore, he withdrew his resolution.

By Mr. Justice: A bill creating a Mechanics and Laborers lien law. Referred.

By the same: A bill to provide for the publication of private laws. Referred.

By Mr. Humphries: A bill to authorize the Commissioners of Currituck to levy a special tax. Referred.

On motion of Mr. Barnett, the rules were suspended and the bill incorporating the North Carolina Homestead Association, was taken up, ordered to be printed and laid on the desks of members.

SPECIAL ORDER.

Bill (war) to secure the better protection of life and property.

The question recurred upon Mr. Malone's amendment to the first section of the bill.

Mr. Jarvis argued for sometime against the measure. He reviewed in all its phases not only the provisions, but the probable effect which the passage of the bill would produce. He made an elaborate and lenghty argument against the whole bill in all of its aspects. [Mr. J's. remarks will appear in full hereafter when space sufficient can be found for them.]

J. S. Leary, col., next argued in support of the bill.

Mr. Moore, of Chowan, followed in advocacy of the measure.

Pending further debate the House on motion, adjourned until this evening four o'clock.

AFTERNOON SESSION.

House met at 4 o'clock.

The discussion of the war bill was resumed.

Speeches were made in favor of the bill by Moore, of Chowan, who concluded his speech, Sinclair, Pou and Hayes, col.

Mr. Gunter, Republican member from Chatham, opposed it in a speech of some length, declaring such a measure unnecessary, so far as Chatham county is concerned, and that the people of his county, black and white, without regard to party, were opposed to it. His speech was replete with good sense, moderation and sound argument.

Without coming to a vote the House adjourned to 7 o'clock this evening.

SUPREME COURT.

Wednesday, Jan. 19.—Court assembled at the usual hour.

Cases from the 7th District, were called and disposed of in the following manner:

Sandridge *vs.* Caldwell, Kernodle *vs.* Huffness, and Huffness *vs.* Kernodle, from Guilford, continued.

Borland *vs.* McCulloch, from Caswell, Jordan *vs.* Lutterloh, and Brooks *vs* Elliott, from Randolph, continued.

Black *vs.* Jones, Randolph. Argued—Scott and Mendenhall, for Plaintiff; no counsel for Defendant.

State *vs.* Morrey, Guildford. Argued—Adjutant General for State; no counsel for Defendant.

Whiteside *vs.* Green, Cleaveland.—taken up by counsel, and argued by Bynum for Defendant, Merrimon for Plaintiff.

Hogan *vs.* Strayhorn, Orange. Argued—K. P. and R. H. Battle, for Plaintiff, Phillips and Ike R. Strayhorn, Esq., for Defendant. In this case is involved the interesting questions, whether a Deed of Bargain and Sale, under the North Carolina statute, requires a pecuniary consideration 1—and whether any "actual external ceremony" is necessary to the validity of a Deed?

Hoover *vs.* Neighbors, Randolph. Motion by Mendenhall to dismiss for want of notice of appeal.

The case of the State *vs.* John W. Thomas, Perjury, from Guilford, set for argument on Friday morning.

There was quite a full attendance of Lawyers to-day, the following gentlemen being present in the Court Room during the morning, viz: Hons. W. A. Graham, Thos. Bragg, W. H. Battle, B. F. Moore, A. S. Merrimon; and Messrs. C. P. Mendenhall, Ralph Gorrell, W. S. Scott, W. P. Bynum, James M McCorkle, John Manning, Geo. V. Strong, Ike R. Strayhorn, F. F. Howze, K. P. and R. H. Battle, Esqrs., Hon. J. M. Cloud, was present also.

Mr. Isaac R. Strayhorn, Esq., a youthful member of the N. C. Bar, and a talented graduate of Chapel Hill, made his first appearance in this Court, to-day, in the case of Hogan *vs.* Strayhorn, above mentioned.

His argument was short, but to the point, evincing a clear and logical mind, a keen perception, and a full and competent knowledge of the law involved in the case, and giving fine promise of his future career.

Opinions were delivered as follows:

State *vs.* Benjamin E. Spencer, from Hyde, exceptions to Judge's charge.

SETTLE, J.—No error, judgment affirmed. The maxim, *falsum in uno falsum in omnibus*, is not a rule of evidence in the Courts of N C.

The Supreme Court, in deciding as to the propriety of the language or expressions used by Judges of the Superior Courts, in their charges to jurors, will consider the whole charge together.

State *vs.* Charles Newby, from Perquimans, malicious mischief in killing an ox, verdict for defendant, appeal by State.

READE, J.—No error judgment affirmed, in the spoliation or destruction of property, malice towards the owner must be the inducement in order to constitute the crime of malicious mischief at Common Law, and the malice must be found not inferred, for this is a mere statutory offence, and not a crime *per se*.

Lowery *vs.* Lowery, Robeson, petition for Dower, appeal by Petitioner, from the decision of the Judge below, in refusing Petitioner's motion to confirm the Report of the Commissioners appointed to lay off the dower.

RODMAN, J.—Error, judgment reversed, none but parties to the original suit, can move at a subsequent term to set aside for irregularity, a judgment rendered at a former term of the Court. A Court cannot at a subsequent term, set aside a regular judgment, rendered at a former term.

From the recital in a writ for admeasurement of Dower, issued by the clerk in the Court below, the Court here will presume that a judgment was regularly rendered for Petitioner. Any person aggrieved, may except to the admeasurement of dower, but this does not bring into question the regularity or validity of the judgment for dower.

Judgement for Dower does not affect a person who was not a party to the original suit—and such aggrieved person has his remedy by a new suit.

Any proceeding to set aside the inquisition, is in the nature of a new suit.

McArthur *vs.* McEachin—Robeson—appeal from an order of Russell J., vacating an injunction.

DICK, J.: No error—judgment affirmed, where an injunction is vacated because of its being premature and irregular, judgment for costs must be upon the injunction bond; and where an action is commenced by summons improperly issued, the filing of the prosecution bond is premature and inoperative, and no judgment can be given upon it.

Ransom *vs.* McLees, Tyrrell.

PEARSON, C. J.—No error, judgment affirmed. [An abstract of the very able opinion delivered by the Chief Justice in this case will be published hereafter.

At 2, P. M., Court adjourned, until to-morrow, 10 o'clock A. M.

NOTICE IS HEREBY GIVEN, THAT APplication will be made to the present General Assembly for a Charter to build a toll bridge across Deep River, near the Mills of Harris Tyson and M. C. Womble, in Moore county.

OR,

Salvation for the Hair.

CLEAR AS WATER!
WITHOUT SEDIMENT!!
OPEN TO THE LIGHT!!!

For Restoring to Gray Hair its Original Color.

PHALON'S "VITALIA" differs utterly from all the hair coloring preparations heretofore used. It is limpid, sweet smelling, precipitates no muddy or slimy matter, requires no shaking, imparts no stain to the skin. Hold it to the light and it is clear and colorless. It leaves no mark on the scalp; yet it reproduces in gray hair the natural color that time or sickness may have bleached out of it.

☞ Phalon's Vitalia ☜

is for one sole purpose, that of reproducing, with absolute certainty, the natural color of the hair. It is not intended as a daily dressing, nor for removing scurf or dandruff; nor for curing baldness; nor for stimulating the growth of the hair.—These objects may be accomplished after the color has been fixed with the Vitalia, by Phalon's Chemical Hair Invigorator.

THE VITALIA is a harmless and unequaled preparation for the reproduction of the original hue of gray hair, and nothing else. This is accomplished in from two to ten applications, according to the depth of shade required. Sold by all druggists.

The Globe has peculiar claims upon the Southern country, from having first introduced the non-forfeiting feature in all its policies. Its President, Mr. Pliny Freeman, was the inventor of the ten-year, non-forfeiture plan, and introduced it in the Company with which he was then connected.

The Globe takes no notes; but receives its premiums in cash, and pays its policies in cash, without deduction.

To those desiring it, the Company will issue policies, registered and certified by the Superintendent of the Insurance Department of New York, as "secured by pledge of public stock."

THE MOST SUCCESSFUL CASH COMPANY IN THE WEST!

The Stock of this Company is owned by the Capitalists of Louisville, Ky., and St. Louis, Mo. It is emphatically a Western and Southern Institution.

The DE SOTO has no desire to exalt its merits over those of other good Companies, nor to prosper on the decline of others, laboring in the same fields, and for the same grand object. Confident of its equal advantages with others, of whatever age or standing, it is willing to labor honorably for success, and hopes to deserve the public confidence by its energy, industry, and liberal spirit.

From the Missouri Republican.

"Few Companies have started out with such gratifying and flattering prospects of success, and under such favorable auspices. The Company has been extremely fortunate in the selection of its Directory. Its President, JAMES H. LUCAS, needs not a word of commendation from us. He enjoys a general reputation as a gentleman of wealth, unquestioned integrity, practical good sense, sound judgment and splendid business capacity.

The Directors rank among the first class of our merchants, bankers and citizens, as men of capital, financial ability and experience: men of probity and unblemished reputation. In the charge of such a Directory, the community have the best guarantee that the business of the Company will be prudently and judiciously managed."

Policies issued on all the popular plans and all Non-Forfeiting.

Policy-holders may travel by the usual modes of conveyance, either by land, river, lake or ocean, in any portion of the United States and Territories, the settled portions of the two Canadas, Nova Scotia and New Brunswick, and in time of peace may cross and recross the Atlantic Ocean by the usual passenger routes to, and travel and reside within, any portion of Europe.

CITY AND STATE ITEMS.

THURSDAY, JANUARY 20, 1870.

☞ THEO. N. HARRAY, as Business Clerk, is authorized to make contracts and give receipts, &c., &c.

Be sure to read the new advertisements in this mornings' issue.

There will be a meeting of the "People's Building and Loan Association" this evening, at the Court House, at 7 o'clock; all who have subscribed stock, and others intending to do so, are requested to attend.

ACCEPTS.—We inadvertently omitted to mention that Messrs. Bragg and Phillips have formally accepted the appointment, tendered them by the Lieut. Governor, to investigate the Railroad matters of the State. It is presumed Gen. Barringer will also accept.

BRING THEM BACK.—Somebody has borrowed from the SENTINEL office, a copy of the ritual of the first, second and third degrees of the U. L. A., and also a charter for a lodge, signed by W. W. Holden, as President, and C. W. Horner, Secretary. We request any one having the above to return them to us, as we wish to use them for the enlightenment of the public.

IT DIDN'T COME.—An address by the County Commissioners and other county officers of Orange, which was published some time ago, in the *Standard*, was also, we learn, designed to be published in the SENTINEL, and several of our friends in that county are surprised that we did not publish it. The only excuse we have for not publishing the address is, that we did not receive it, nor know anything of the request that we should publish it. We should certainly have inserted it, if it had been received.

GROWING PIOUS.—Gen. Milton S. Little field gave $500 to the Episcopal Church in Tallahassee, Florida, towards a subscription for paying off a debt hanging over the Church. He ought to give liberally to all the Churches, if thereby he could induce them to pray earnestly for him, for he needs it as much as any man we know of. It would probably do him no good, but they could try it on him, any how, it could do no harm.

THE RECONSTRUCTED FARMER, for January is received. Why don't every Farmer in the State, especially in the eastern and middle counties, take this excellent agricultural journal? It is published by experienced farmers, in one of the most flourishing agricultural counties in the State, and is only two dollars a year.

The *North Carolinian*, in noticing the recent Sweet-Tourgee Heaton correspondence, says that Tourgee seems to be the "bottom dog" in the fight. That editor had better look sharp, or he will be hauled up for "contempt of Court."

EDITORIAL CHANGE.—Mr. John M. Watson retires from, and Mr. Francis Justice succeds to, the editorial chair of the Charlotte *Observer*. The new editor announces his intention to "take his weak," politically; "a little more sugar and not quite so much *spirits*." Well, every man to his taste, but we can't see how a "watchman on the walls" can look on the fraud, swindling, roguery and rascality, that have ruined the State, without "speaking out in meetin'."

PERPETUAL COURTS.—Day after day, week after week, we can hear, from our office, old man Furney King, the Court crier, calling in witnesses, plaintiffs and defendants to the Court House, until his voice has become a household monotony. We are having perpetual Courts, and from present indications, the force will have to be increased, if the dockets are ever cleared. Three weeks, ending on last Saturday, the Court was at work on the civil docket, and cleared off some dozen cases out of eight or nine hundred.

On Monday the Court of *Oyer and Terminer* opened, and witness after witness is being sent before the Grand Jury, and we have no doubt the cases are increasing on the State docket faster than they are cleared off.

All the while the expenses are accumulating—witnesses and jurors are not paid, and there is no telling when they ever will be. Taxes are enormous and still not half enough to meet the expenses of the county. O the beauties of the new Radical Constitution! O, the glories of Radical administration! The more they help us, the worse off we are. State bankrupt—county bankrupt—taxes high and debts increasing, and with perpetual Courts, the cockets growing! So we go.

A Beautiful Complexion.

PUBLIC MEETING IN IREDELL—OPPOSITION TO SELLING THE PUBLIC WORKS.

A large number of the citizens and taxpayers in Iredell, assembled at the Court House in Statesville, on Monday, 17th Jan., when on motion, Col. Thomas A. Allison, was called to the Chair, and C. A. Carlton, appointed Secretary.

On motion of R. F. Simonton, Esq., and seconded by Judge Anderson Mitchell, the following resolution, with regard to the sale of any portion of the "Public Works of the State," at this time, was adopted unanimously:

Resolved, That it is the opinion of this meeting, that the sale of "any portion of the Public Works," in which the State of North Carolina is interested, at this time, is unnecessary, injudicious and would prove exceedingly injurous to the people of the State and Government thereof; and we request and instruct the members from Iredell in the Legislature, to vote against the same, if so objectionable a proposition should be offered in that body.

On motion, the meeting adjourned.

THE SOUTH DOOMED TO PERPETUAL PARTISAN PUPILAGE.—"The discussion in the Senate this morning proves that even those of the Radical Senators who voted against postponement in the case of Virginia (in other words for immediate admission) did so avowedly upon the ground that impliedly the State would still remain under Congressional surveillance. Senator Morton, the leader of the "modsgate" wing, distinctly declared this to be the doctrine of the party at large! And thus has calculated the vexed question of Virginia's "admission." The State, after admission, is to be regarded as in the condition of pupilage, and liable to be remanded to military rule at the whim of Congress! This feature of the Radical programme is infinitely more alarming than would be the rejection of the claim to admission altogether; since it developes a clear purpose to use the South for partisan purposes alone. Morton declared that if Congress had the authority to re-instruct under conditions and make a State under additional conditions (which they had done,) they clearly had the power to unmake it at pleasure! This is logical. But why prate! The steady and rapid encroachments of the dominant party have by no means reached a stopping point. The word is "onward!" Go ahead! The merks of the people are ready!"—*Wash. Cor. Balt. Gazette, Jan. 11th.*

PRATT'S "ASTRAL" OIL.

UNLIKE MANY OTHER ILLUMINATING Oils, is *perfectly pure*, and free from all admixtures or mixtures of any kind. It emits no offensive smell while burning, gives a soft and brilliant light, and can be used with the same assurance of safety as gas. Chemists pronounce it the best and *safest* Illuminating Oil ever offered to the public; and Insurance Companies indorse and urge upon consumers the use of the "Astral" Oil in preference to any other. It is now burned by thousands of families, and in no instance has any accident occurred from its use; a lamp filled with it, if upset and broken, will not explode. *To prevent adulteration*, the "Astral" Oil is packed only in the Guaranty Patent Cans, of 1 gallon and 5 gallons each, and each can is sealed in a manner that cannot be counterfeited. Every package with uncut seal we warrant. Be sure and get none but the genuine article, Pratt's "Astra" Oil, for sale by dealers everywhere, and at wholesale and retail by the proprietors

TO COTTON AND TOBACCO PLANTERS AND CORN AND PEANUT GROWERS.

The Norfolk Oil and Fish Guano COMPANY'S

PHOSPHATIC FISH GUANO.

PRICE $45 PER TON OF 2,000 lbs., AT NORFOLK, VA.

Manufactured at Norfolk, Virginia.

This article is much superior to the Peruvian Guano as a fertilizer. It contains a much larger percentage of bone phosphate and soda, and nearly as much Ammonia, its effects upon the land will be seen for years.

The following extracts from certificates received from those who used it last year upon Cotton will have the effect to remove the prejudices produced by the use of manufactured fertilizers, and give confidence in this home made article.

H. Leberman, Esq., of Bertie county N. C., writes: "I have used your Phosphate Fish Guano in equal quantities side by side with Peruvian Guano and found the product much in favor of your article, the weed was larger, Cotton heavier and the plant kept green through the dry Summer."

J. J. Horton of same State, writes to the same import. Our Circular for January 1870, contains these and other certificates in full.

Orders promptly attended to, addressed to any of our leading Commission Merchants or to Gen'l Agents office over Gwatmey Bros & Co., new Warehouse on Town Point, Norfolk Va.

And $5,000 ready to pay a loss of No. 34,161, so soon as the party authorized to receive the money appears.

The Company has been well tested throughout the State, as to its promptness in paying her losses, reliability, &c.

DIVIDENDS PAID AT THE END OF THE FIRST YEAR, AND ANNUALLY THEREAFTER.

Its ratio of expense to income is extremely low. This may be seen by reference to the Official Reports for 1868. For example:

EXPENSE ON THE $100 RECEIVED.

KNICKERBOCKER,	$16,54
EQUITABLE,	17,44
NORTH AMERICA,	21,16
BROOKLYN,	21,09
UNIVERSAL,	27,24
JOHN HANCOCK,	18,27
THE NATIONAL,	63,48
THE ÆTNA,	13,41

It has an IMPORTANT NEW FEATURE that has been copy-righted. According to this plan the rates are MUCH LOWER than in any other Company in the world.

Its ratio of Mortality is low. Its rates are very low. Its expenses are very low. Its dividends are large.

It insured more lives in the City of New York in 1868, than any other Company, except one. It insured more Policies in the United States than any other save one. It insured more lives in Canada than any other Company, British or American.

See what the HIGHEST INSURANCE AUTHORITY in this country says. In the June number of the *Insurance Times*, of New York, the following opinion was expressed:

"If there is any great benefit in mutual association, any great advantage to be derived from scientific organization and a chartered source, tending to mitigate the sufferings, lessen the privations, and add to the peace, security, and happiness of humanity, we are prepared to show that these blessings flow, in all their fullness and purity, from this excellent, powerful, and flourishing Company, the ÆTNA LIFE, of Hartford."

"No institution has brought more prompt, full, and grateful relief to the hearths of the bereaved and desolate, and none has been more uniformly distinguished for the enterprise, wisdom, and equitable liberality with which it has fulfilled the purposes of its formation."

"Its success has been almost unbounded and beyond all precedent. Eight years ago, in 1861, it issued only 389 policies, received an income of seventy-eight thousand dollars, and possessed nett assets amounting up to something over two hundred and eighty-one thousand dollars; but last year, 1868, it granted 13,237 new policies, more than any other Company except the Mutual Life; received an income exceeding six million dollars, and had amassed solid, securely and profitably invested nett assets amounting to over Two Million Three Hundred and Fifty Thousand Dollars. And this wonderful ratio of growth has been sustained in 1869."
